This guidebook describes 101 varied walks in Austria, from day walks to multi-day treks. Walks are graded from 1 to 3 with something to suit every level of ambition. Ten of Austria's most stunning regions are covered, including the Rätikon, Silvretta and Ötztal Alps, with routes ranging from 3 to 120km.

With its incredible mountain huts, quaint villages, impressive web of well-maintained way-marked footpaths and dazzling natural scenery, Austria is arguably one of Europe's most walker-friendly countries. It is also enchanting in its beauty, featuring rugged limestone spires, towering snowy peaks, majestic lakes and villages tucked away in quiet valleys.

A full description of each route is accompanied by mapping. The guide also features full details of 135 mountain huts, hut to hut tours, a German-English language section, as well as information on public transport, accommodation, gear and safety issues.
